MOJAVE AIRPORT

<http://www.mojaveairport.com>
1434 Flightline Street, Mojave, CA
661-824-2433
Mojave Airport is frequently used by the film industry for shooting motion pictures, TV episodes, car commercials, retail advertising and music videos. The Airport owns a remote pad area that is ideal for developing your outdoor set - it can even be flooded to provide a water scene. We also own two 1960's-vintage Convair 990 jetliners that are available for use. Mojave is the home to a number of privately owned vintage aircraft that are often contracted for production work, and a couple of our Community Businesses specializes in providing retired airliners for sets. Mojave airport features 3 runways, from 4,800 to 9,600 feet long, and up to 200 feet wide. We also have many taxiways and access roads with various desert backgrounds. Mojave airport offers over 300 days of sunshine each year, guaranteeing you less down time than almost anywhere else in the world. To bring your next film or video production to the Mojave Airport, call Debbie today or email her at debbie@mojaveairport.com.
